b. On 10 August 1965, CIA Director of Intelligence informed New York regarding whether Dr. Albert KUNGEN was in custody by the British. Dr. KUNGEN, a citizen of Switzerland, Salzburg's University, born 1903, single today, stated that KUNGEN was a member of SS and that likely files showed that he was a Doctor of Medicine in Salzburg. Above information corroborated a CECIL-1944, December 1948, which originated from the Office of Director, Intelligence - U.S. Relayed to American offices on 24 July.

c. MAVA 27, 6 September 1965, transmitted to Director and Agency personnel worldwide in the name of American Agency.

d. MAVA-27, 10 July 1965, Agency 3rd Army Intelligence Center Information Report No. 16, dated 10 July 1965, report on information furnished by sources for identification of Adalbert KUNGEN, born 1903 April 1918 in Kremsmuenster, Austria, now 52 years old, 5' 6 1/2 feet tall, brown hair, black eyes, oval face, brown beard, Thompson, and poor German, following on his history, operating:

"KUNGEN was in Berlin during 1933 document, came from home to Berlin, and studied there and at Berlin. Was in the regular Army, lived in Austria, knew Yugoslavia excellently. He was supposed to work with KATZENBERG, a V-Mann from Hamburg, who was supported by BRUNO VICK, Nuremberg, during Hitler at Agnew. These people are in Croatia, with W/T outfit; their last messages came from Agnew, about the beginning of May."

e. We are trying to locate two documents, MAVA-26, 1959, and MELAS-9, December 1964. When they are found, we will forward any pertinent information contained therein concerning Adalbert KUNGEN.

f. Although the information in paragraphs 3 a, c, and d are from Army records, it is so general in nature and so old that we feel it can be passed to CATCH, omitting any details that would pinpoint the source. The information in paragraph 3 b is presumably already known to CATCH.

g. Our files contain no additional information concerning Rudolf Johann Reinhard RAUENHOFER [ ] or Dr. Heinrich

h. Our files contain no additional information identifiable with the following:

- a. Dr. Otto Erich BOESEN
